

STRATEGIC FOCUS

EN:VISION

KKPC firmly believes that sustainability is pivotal to our future success, helping us drive innovations and achieve long-term growth. It guides and inspires how we live and work, and how we manage our people and operations. In 2018, we focused on building a safe and sustainable working environment, looking to work in partnership with empowered employees to deliver long-term, sustainable value for all our stakeholders.

ENSURE

Safe workplace by achieving zero accident

ENABLE

Green growth by reducing ecological footprint

ENCOURAGE

Global talents to challenge the status quo
